

Show Us What You Do!

We're inviting Chamber members to create a fun, interactive experience that gives guests a chance to see, try, taste, build, guess or discover something about your business.

Examples:

- A 2-minute demonstration
- Something attendees can try
- A sample or tasting (non-alcoholic only)
- A mini game or challenge
- A before-and-after display
- A coupon or promotion or small take-away
- A fun fact or "Did you know?" about your business

Think 2 - 5 minutes of interaction (not a sales pitch).

Have something people can try? Great.

A product to demonstrate? Perfect.

A fun challenge? Even better.

Something unusual about your business people don't know? Show us!

The goal is simple: Help people experience what you do and connect with the people behind the business.

Bring with you a colleague or two (or three or more) - so you can have someone at your booth & others can mix and mingle.

What's included: one 8-foot table with two chairs & a tablecloth

Set-up between: 4:00pm - 5:00pm

\$50 per booth, must be a Chamber member in good standing.

Growth & Visionary Members receive a booth at no charge - please log in to your Info Hub account and the fee will be waived automatically on registration. Email info@sdcc.on.ca with any questions or registration support.
