“

We continue to support the Strathroy & District Chamber of Commerce in the form of sponsorships, firstly, because no other organization is more connected to the businesses in the area; but more importantly, they have longstanding personal relationships with many business owners in the community, so their events are very well attended, and the energy at their events is always very positive and engaging! The sponsorships are quite reasonably priced, and the recognition from the Chamber consistently meets or exceeds our expectations.

- Mary A. Jansenberger, Marketing and Business Development Manager, Cohen Highley LLP

It was a pleasure to sponsor and be a part of the Golf Tournament. This event was a great opportunity to hit the greens with fellow members of our business community, connect, network, and have some fun at the same time. In this day and age of virtual meetings, it's still hard to beat the value that in-person engagement brings. The Strathroy & District Chamber of Commerce is integral to fostering relationships between businesses in the community.
